

Clinician Script During Baseline

Hi Everyone! It's good to see you.

We are going to use this time to talk together.

Each of you will get a chance to pull a color card or select a color. The color card will decide the topic.

Ready? Who's pulling a card first?

Okay _____. Pull a color card.

(Child participant pulls a card)

(Clinician goes to the prompt of corresponding color.)

Okay. Time to get started. (Starts timer for 15 minutes)

Let's talk about _____.

(15 minutes over)

Thanks for talking.
